Subject: Work Plan Dimock Residential Well Sampling

Richard,

As per your request, I have reviewed the QA/QC Work Plan for Dimock Residential Well Sampling Round 1 Supplemental. I am recommending the tentative approval of this work plan, after the comments are addressed.

My recommendation to approve this work plan and review comments are listed in the letter attached below. I also sent a signed letter via Agency pouch mail. If you have any questions related to this SAP review, please don't hesitate to contact me.

Regards,
Brandon McDonald
